

# Foundations II: Strategies for Data-Driven Classrooms

## Virtual Professional Learning Sessions

This follow-up to Foundations I offers a deep dive into IXL Analytics and how it supports instructional action in your classroom every day.

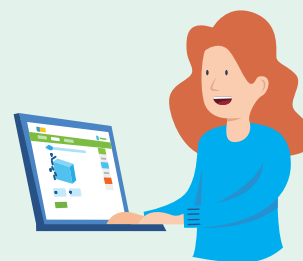

### Learn how IXL's actionable analytics help teachers:

**Provide effective  
small-group instruction**

**Address individual  
student needs**

**Maximize limited  
class time**

Up to 49 attendees \$695 CAD

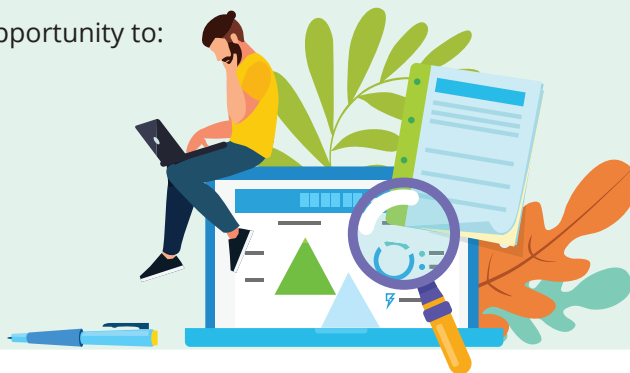

50-200 attendees \$1,195 CAD

### Get insight from the experts

Every IXL Professional Learning Specialist is a former educator and an IXL expert!

During this interactive session, you'll have the opportunity to:

- Ask your pressing questions.
- Explore their proven strategies.
- Get advice on how IXL can work best in your classroom.
